

Caffeine Cruisers

where all the "Cool Cars" go!!

*In Torrance - at Artesia and Hawthorne Blvd.
(on the south-east corner, between Starbucks and Sizzler).*

Located just $\frac{1}{2}$ mile west of the San Diego Freeway, this "New & Improved" location offers over 4 times the parking spaces as the previous site.

Not just for early-birds anymore; no need to arrive before 7AM for a spot, no more parking in the aisle ways or amongst the ordinary cars.

No more circling the lot, hoping somebody leaves you their space.

**We're there every Saturday morning,
7:00 till 10:00AM . . . pass the word!!**

* Winchell's Donuts is right off the freeway on the NE corner of Artesia Blvd & Prairie Ave
