You are cordially invited to the Long Beach Camerata Singers' AUTOMOBILIA fundraiser on Sunday, May 1 at 3PM. Hosted by Rick Lorenzen and Price Automobilia, you will be given an exclusive look at one of Southern California's special private collection of Original and Classic Cars, all beautifully restored.

Rick's "Girls" include a 1955 Nomad, a Mustang Police Car, an Oldsmobile 442 W30, 1934 Ford Phaeton, a Classic Buick Century Convertible, a Red/Orange 1955 Chevy Nomad Wagon, and, among Rick's personal favorites, many pristine Willy's Automobile Classics and Hot Rods.

Classic Broadway numbers, including your favorites from "Grease," will be performed by the Camerata Singers - What could be more perfect? Wine, Beer and Snacks will be served. Wear your best Cruisin' clothes and comfortable shoes, because you will not want to miss the guided tour of the showroom and working restoration shop.
