### **ATHS SAFETY RULES**

1. No person shall operate a vehicle under its own power on the grounds unless the owner knows that its brakes are in good working order and that it is otherwise in safe operating condition. Vehicle operators must have a valid driver's license and must know how to drive the vehicle and safely stop it.
2. Each vehicle shall be taken to its designated display area and remain there, except when participating in an event or is moved as required or permitted by Show Management.
3. Parked vehicles shall be secured with a chock block.
4. All vehicles, machinery, or other loads that are on trucks or trailers must be securely fastened down.
5. Each show vehicle shall be equipped with an Underwriters Laboratories approved fire extinguisher.
6. Fuel tanks shall be capped. Any fuel leakage will be grounds for barring entry of a vehicle or requiring its removal by towing from the display area.
7. Vehicle or attached or transported equipment engines shall not be run unless the vehicle owner, or other person authorized by the owner is in close attendance.
8. Vehicles must be operated in a cautious and safe manner at all times.
9. Every vehicle, including trailers, shall be covered by owners liability insurance, except non-operational vehicles brought in on, and not removed from, trucks or trailers.

**I have read and understand the above safety rules, and agree to abide by these rules during this event. I hereby grant to ATHS the right to use photographs and/or video images of the above listed vehicles for promotional purposes or for the benefit of the Society.**
