What is Go Topless Day®?

Go Topless Day® it's a spring tradition when we celebrate the return of warm weather, a sense of fun and adventure that comes with owning a Jeep. Extreme Terrain (ET) partners with Jeep clubs like FunShine Jeep Girls. For every club that raises a minimum of \$500 for their charity. ET will offer a \$500 donation toward that same charity! FunShine Jeep Girls has selected Operation SafeHouse again this year as their charity, so together help us exceed last years collection of \$3,662.00

Who is Operation SafeHouse and WHY do we SUPPORT THEM?

Operation SafeHouse, needs community support, to provide Emergency Shelter, intervention and Outreach Services to Youth in Crisis. Every dollar counts! A \$100 donation will provide five nights of transitional housing or emergency shelter for one youth in crisis. \$50.00 provides 1-hour of intensive one-on-one counseling for one youth and their family. \$25.00 provides 1-hour of mobile case management for one human trafficking "survivor." \$10.00 provides three meals and two nutritious snacks daily for one youth in crisis. Join FunShine Jeep Girls and donate to Operation SafeHouse TODAY! [Downloaded from www.SoCalCarCulture.com](http://www.SoCalCarCulture.com)
