---

*In 2017 the Prowlers Club is 70 years old. We have hosted our Picnic for 45 years and now are leaving the car show gig to the professionals. With 200 local events per year on our calendar we hope to see you at more of them. We are as healthy and vibrant as ever and will now spend more time driving (and building) our cars. Thank you for the years of support you gave us. Hot Rods Forever!*
