**"VEHICLES FOR SALE" BUILDING AT CRUISIN' FOR A CURE
CAR SHOW - HUGE SUCCESS AGAIN LAST YEAR!!!**

Costa Mesa, CA – It was very exciting news that **A LOT** of cars & trucks (even a vintage trailer) were **SOLD** at last year's **Cruisin' for a Cure Car Show**. Most of the owners who participated in the "**Cruisin' Cars For Sale**" building considered this featured building a huge success in the huge crowd and buyers that saw their vehicles on display for sale. This year we will be doing the same thing on Saturday, Sept. 28th. It will be the OC PROMENADE Building full of cool vehicles for sale. There is limited space available for **75 vehicles** of "**For Sale by Owner VEHICLES**".

With the recent success of several local car auctions held in Orange County, it has proven to be a great idea to add a special section to the CFAC Car Show, where owners can display their cars for sale in a special car corral building called, **Cruisin' Cars For Sale**. The building is cool all day with a nice breeze and is centrally located right in the middle of the event. So people are walking through it all during the event to get out of the sun or just get through to the other side of the show! This special section will be benefiting City of Hope Cancer Foundation for Prostate Cancer Research.

The CFAC is the largest single-day car show in the country and it attracts thousands of car show enthusiasts from all over the world. **If you'd like to reserve a space for your vehicle, sign-up today..... as spaces will be selling very quickly.** This featured area will be in the middle of the car show, located in the OC PROMENADE "Breezeway" Building just adjacent to the main mall.
