westcoast_cali_mopars Join us for a warm and welcome gathering of car enthusiasts and ice cream lovers who share kind hearts at Buster's Real Ice Cream of Upland on Saturday Dec 7th from 12pm - 3pm when we will be coming together not just for fun, but also for our 8th annual food/toy drive to make a difference. There will be exciting raffles and prizes, but our true aim is to collect donations of food and toys for families in need during these challenging times. We believe in the spirit of kindness and support that defines us as a car club in the Mopar community. So, come enjoy some delicious ice cream while helping those who could use a little extra love. Bring \$15 in unopened non perishable food or a \$15 unwrapped new toy to receive a raffle ticket with a chance to win a prize. So bring your cars, trucks, motorcycles, and anything with wheels, please respect the spot and let's make some wonderful memories together and show that we truly care.
