# VALVE COVER RACING WORLD FINALS

*(Actually its the 1st event we've ever held like this, but we want it to sound important)*

Race will be held during the 5150 Cars and Coffee / Toy Drive event on Dec. 10, 2023 at Lilac Foods Market

Downloaded from SoCalCarCulture.com

**Build yourself a racer and come out to this event and compete for bragging rights and a trophy.**

**\*Double Elimination (if we have time)**

**\*Winner gets a Trophy and Bragging Rights**

**To participate in the 5150 Rat Rod Valve Cover Race**

- 1.The Valve Cover racer needs to be made from one automotive engine valve cover.**
- 2.No more than 30 inches in length,**
- 3.Must have four wheels which cannot extend beyond the front of the valve cover.**
- 4.Wheels no larger than six inches in diameter**
- 5.Can Not be wider than 10 inches.**
- 6.Can Not weight more than 10 pounds.**
- 7.Must be propelled by gravity with no moving weights or motor.**
